

FOR IMMEDIATE RELEASE

1 August 2012

LEXICON SYSTEMS TO SPEAK AT SUSTAINABLE PERFORMANCE FORUM

HOUSTON, TEXAS. Jill Barson Gilbert, QEP was invited to speak on Health & Safety Risk Management Issues at Sustainable Performance Forum 2012. This 4th annual North American forum will take place Tuesday, September 18th and Wednesday, September 19th, 2012 at the Radisson Blu Aqua Hotel in Chicago, Illinois.

“I attended SPF last year in Chicago, and thought that the entire event was well-planned and an excellent opportunity to network with others regarding environment, health & safety (EHS) and sustainability software issues.”

Gilbert will address industry executives, EHS and sustainability professionals at the forum, sponsored by Enablon North America Corp. The two-day event is open to both current and prospective Enablon environment, health & safety (EHS) and sustainability software users. Enablon expects about 400 attendees. For further information, visit the events page at www.enablon.com.

ABOUT LEXICON SYSTEMS, LLC

Lexicon Systems, LLC is an established management consulting firm that helps companies to address complex issues, with a primary focus in the EHS management information systems market. The firm helps to move businesses ahead with senior staff that understand industry and its issues, and arrive at solutions thoughtfully and quickly.

Lexicon consultants are independent and objective and put client interests first. The firm offers the breadth and depth of experience of a large firm with the responsiveness of a small firm. Lexicon Systems, LLC is a preferred provider to EHS and IT senior management in industry, as well as C-level executives in software and investment firms.
